FROM: Councilmember Campos
EEHVS Task Force Vice Chair

SUBJECT: 9/25 EEHVS Task Force Meeting

DATE: 9/25/06

Approved

Date

9/25/06

Due to the long standing dispute between local construction workers and the owners of Eastridge Mall, who brought workers from as far away as Arkansas instead of using local construction workers during their mall renovation, I will not be attending any meetings at Eastridge Mall until the local workers in our community are treated fairly and respectfully.
